Career Objective

I'm a passionate and curious web developer who enjoys creativity, user-friendly websites. I'm looking for an opportunity where I can keep learning, improve my skills, show case my skills and build meaningful digital experiences while contributing to real-world projects and the company.

EDUCATION

- BSc IT, Dnyansadhana College, Thane (University of Mumbai) – CGPA: 8.60 2023-2026
- Higher Secondary, Thirani College, Thane – 54.70% 2023
- Secondary Education, Little Flower High School Thane(w) – 70.60% 2021

SKILLS

- Technical: C, C++, Python, Java, MySQL, OOP, React, Adv. Java, HTML CSS,
- Soft Skills: Decision Making, Problem Solving, Teamwork

PROJECTS

1. Smart Traffic System

- The Smart Traffic System is an intelligent solution designed to manage and optimize vehicle flow in real time using sensors and data analytics.
- It reduces congestion by dynamically adjusting traffic signals based on road conditions.
- The system improves road safety and minimizes waiting times at intersections and ensures smoother, faster, and more efficient urban transportation

Academic Project

AI-Assisted Restaurant Website Series

- Developed three restaurant websites using AI-assisted tools (Lovable) combined with frontend customization.
- Crafted effective prompts to generate layouts and features, then refined design, structure, and user experience manually.
- Implemented responsive design, interactive menus, and visually engaging UI for real-world use cases.
- Focused on improving usability, layout consistency, and modern web design practices.

Student Management System – Java Application

- Developed a Java-based application to manage student records including add, update, delete, and view operations.
- Implemented object-oriented programming concepts such as classes, inheritance, and encapsulation.
- Integrated database connectivity (JDBC) to store and retrieve student information efficiently.
- Designed a simple and user-friendly interface for managing student data.

Language:

English , Hindi, Marathi, French
